

ISA's Multimedia Classroom Instruction Plus goes full swing

All High School classes are under MCI⁺ program starting school year 2007-2008

Salient features of ISA MCI⁺ program

Each classroom is equipped with

- **fixed hang-type LCD projector**
- **Built- in sound system**
- **DVD player**

Every mentor is furnished with a Laptop computer

**Classroom discussion is less dependent on chalk-and-board;
is graphic, vivid, multisensory, time-saving; and
is capable of real-time video-audio presentation thru internet**
